Many Thanks

- **To the Parents and Teachers for a Great “Meet the Teacher Night.”** What a great way to show support for your children. We had a drawing that night for someone to win ½ off this year’s tuition. Those entered in the drawing had to register and pay the 1st Tuition payment by June 15, 2008 for this school year. We are happy to announce that Mr. Jerry Camel was the winner. His son, Jerry, has been in our school since Preschool and he is now in 8th grade. What a great final year for Dad and son!
